

Pearlington Water & Sewer District

Date of Request: _____

REQUEST TO CANCEL SERVICE:

This request is only for customers that wish to **CLOSE** their account due to relocation or sale of the property. Customers **CANNOT** request to have water meters turned off due to extended absences. I.e. Out of town work, extended vacations or empty rental house.

Please complete all information below. Once the Field Verification has confirmed that there is no power at the property, the water will be locked off and the account will be classified as inactive once the final bill is paid. In the event that the property has sold, and power meter is still in place the new owner will have to apply for the new account.
